Automated advice about penalties and defences is free of charge!

If, after completing the questionnaires for free advice, you would like further personal advice, we offer a fixed fee telephone advice service for a fee of £48.00. This is available only if you first register and complete the questionnaires, as we would not be able to provide this service for such a low fixed fee without the information provided about your case via the questionnaires.

We also offer fixed price representation in the magistrates' courts by a barrister. Our fees, inclusive of the barrister's fee, are:

Representation in magistrates' court on guilty plea or on application for removal of disqualification	£499.00
Representation on not guilty plea (first hearing)	£199.00
